Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant's attorney called for a status update. In response, attached is a copy of the Notice of Allowability prepared last week but not yet mailed (or scanned into IFW) due to a PTO computer system outage. Thus, no further response from applicant is necessary, since, upon restoration of the system, the PTOL-37 WILL be processed with a date PRIOR TO 5 May 2005 (i.e., the end of the six-month statutory period for reply).
